

Vision, Mission, and Goals Statement

Our Vision

The vision for the Fanshawe Yacht Club is first and foremost for our members, and the use of the facilities for the purpose of sailing, whether that be racing, cruising and or social interaction. We will commit resources to enable individuals of all ages to become competent sailors. This is an opportunity for individuals in the community to become members of Fanshawe Yacht Club and take hold of an opportunity to enjoy new adventures on the water.

Our Mission

Our mission is to cultivate a diverse membership with shared interests and to passionately promote and uphold our reputation as a club dedicated to providing an outstanding sailing instruction, racing regattas, and social events held within a picturesque setting at Fanshawe Lake.

We are a member of Ontario Sailing which is an organization that champions the sport of sailing, enabling it to flourish and grow, becoming the leading, lifelong recreational and competitive sport in Ontario. We at Fanshawe Yacht Club share their philosophy.
