

Ahoy me hearties!

Gather 'round for a mighty update!

The skies be darkenin', and the thunder be rumblin' like a great beast below deck! Due to these foul conditions, we be makin' the hard decision to postpone our jolly Pirate Fun Run, lest we be doused by Mother Nature's wrath!

Fear not, for we be settin' sail anew on the 22nd of September! (Sunday)

Mark yer calendars and ready yer sea legs for a day of adventure and merriement!

So keep yer spirits high and yer eyes peeled as we prepare to plunder the shores of fun and camaraderie!

Until then, may the winds guide yer sails!

Yours in the pirate life,

Lady Tempest of the Tides.
